## Voluntary Pre-Kindergarten

Dear Parents,

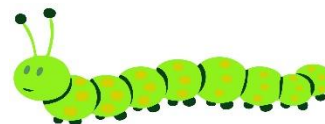

The month of April we learned all about farm animals. We also had our Easter Egg Hunt to celebrate Easter! Thank you for your participation in our International Day event and bringing a delicious dish to share. The children had a lot of fun participating in the St. Jude Trike-A-Thon!

**May's Theme:** Nature/Spring (butterflies, insects, flowers, reptiles)

**Language:** We will continue building 3 letter words (Consonant, Vowel, and Consonant) and compound words.

**Math:** The children will be introduced to odd and even.

**Science:** This month, the children will focus on nature and spring, learning the life cycle of a butterfly, parts of the butterfly and parts of the flower.

**Art:** To go along with the nature and spring theme, the children will make mosaic butterflies using tissue paper, and a flower craft using pasta and beans. Since this month we are celebrating both Mother's Day and Father's Day, we are going to make a special gift for our moms and dads.

Although it has been only a few short months, it has been a pleasure teaching your children! Every child has made a lot of progress in a short amount of time and I am very proud of them. We are excited for the upcoming Graduation. We have already begun to practice for their performance. I hope to see you all at the VPK Graduation!
